## Clare Rose Sabbatical - provided by the Fieldstone Foundation in partnership with the Clare Rose Foundation

Ivey Ranch is the proud recipient of a capacity building grant through the Fieldstone Foundation in partnership with the Clare Rose Foundation. We have all heard the word "sabbatical" but what does this mean to Ivey Ranch? This grant's purpose is to strengthen the longevity of high capacity leaders, develop greater depth within the leadership team, and improve the long term health of a nonprofit organization.

This wonderful grant has already had a huge impact on life here at Ivey Ranch. Since May, when we were notified of the grant award, our lead staff have been assuming additional responsibilities, taking classes and learning how to be the best they can be in their positions, and providing resource help for one another as they collectively manage day to day operations. Missy Heibert, will be leading our equine programs. Sal De Casas will head all of maintenance and grounds management. Andrea Brighton will take care of the care programs and April Nurse will facilitate administrative duties. Each of our Board members has also assumed additional management tasks to support the Lead Staff team.

The other part of this amazing grant is for our devoted leader, Ms. Tonya. She will be "on sabbatical leave" for the next four months; leaving at the end November and returning at the end of March. After 17 years of devotion, the Fieldstone and Clare Rose Foundations are rewarding her with a break. In her absence, each of the lead staff will

## The Coolest Eagle Scout

Why is HE the coolest? Because Jake proposed, organized, and installed a misting system for our horses in the north barn. The crazy heat waves we have been having were met with a refreshing mist that each of the horses has been seen enjoying. As soon as the temperature reaches 85 degrees we turn on the system to help cool the horses and repel the flies. A huge Ivey Ranch thank you to Jake Moeller, his parent's - Ken and Angie Moeller, and MicroCool who worked with Jake to reduce the price of the system!

Please Join us Sunday October 30th for a day of fun for the whole family.

We are going to start the day with *horse and rider*

*costume classes* for our Ivey riders (open to both therapy and able-bodied riders).

Every attendee is encouraged to participate in the *costume contest*.

For kids of all ages, we will have trick-or-treating at the horse stalls and games set up in the pastures!

We are excited to present *Horseback Game classes*, which include egg and spoon races, ride-a-buck, and barrel racing! Classes will be \$10.00 each and are open to all Ivey riders.

Throughout the day, we will be selling tack and equipment; this includes Western and English bridles and saddles, halters, bits, horse boots, and many other miscellaneous items. Prices will range from \$5 to \$250, and all profits will go back into our programs!

We are also opening this event up for anyone who has horse related items to sell: for \$10 you can set up a table and sell any and all horse related products.

We need volunteer support to make this event successful. Jobs include manning our tack tables, helping with the games, photographers, manning the trick or treating stations, and arena crews. Volunteering will start at 8AM Sunday morning. You can be both a participant in the show and a volunteer before or after your classes.

If you want to help, but can't make it on the 30th, we are in need of new or gently used Halloween decorations, autumn themed silk flowers and leaves, and Halloween candy. You can drop any of these supplies off at our horse office.

Talk to any instructor about signing up for the costume and games classes and to sign up to volunteer. The deadline for class sign ups is October 23rd. We hope to see you there!

### Ivey Kids Korner

The awesome kids at Ivey Ranch's After School program are incredibly active. Our staff challenges their need for creative outlets by designing games and activities that stimulate! This month, the kids took on Marble painting! What is marble painting? It is a sensory engaging craft that

**involves putting paint, paper, and marbles in a box and shaking, swirling and spinning it until the desired effect is attained.**

**" I encouraged the kids to do marble painting inspired by the fall leaves. A lot of our kids need to have more than one of their senses involved for an activity to be fun. Marble painting is perfect because not only does it look great, but they get to shake and roll the paint & glitter to get the desired effect. The kids have a great time making these fall leaves, and we've got beautiful fall decorations that the kids can be proud of." Andi, Lead teacher here at Ivey Ranch Daycare**

**Want to try it for yourself? All you need is**

**1 box**

**paint (we use craft paint)**

**2-3 marbles**

**construction paper, cut to look like a leaf**

***Directions***

**Place the leaf in the bottom of the box.**

**Dab onto the leaf as much, or as little, paint as you like.**

**Drop your marbles into the box and shake the box back and forth so that the marbles roll over and through your paint.**

**Let it dry**

**Enjoy your masterpiece!**
